Lickeen Prince is a lovely 5 year old stallion who came over from Ireland as a yearling & has run on at Glenwood. In the Autumn of his second year he went for his first outing to the North Eastern Counties Show at Richmond where he won his class & where he was Large M&M Youngstock Champion. In April 2017 he went to Edinburgh where he passed his Stallion Inspection. Only lightly shown as he was left to mature being 2nd in two Stallion Classes to two more mature stallions & was broken, & in June 2017 went to be ridden on by Zoe Nicoll.

In his first outing under saddle he was 1st Novice Ridden at the Scottish Connemara Show. Since then his next two outings have gained two firsts & Qualified for Malvern.

In France he sired 79 foals 28 of which have index to competition and he was certainly a Sire of jumpers and eventers for sure as his records show.
